To Whom It May Concern:

As the Physician Services Director at a small hospital, my department is very limited in size. Therefore, I rely heavily on retained firms, such as Medicus Partners, to help with my recruiting efforts. Over the past six years, I have worked with many companies and I have found that only a limited number truly meet my needs. Clearly, Medicus Partners is in an elite category. In my dealings with them, I have always found that they under-promise and over-deliver. Medicus Partners represents the very best in recruiting. I would not hesitate to recommend them and I have never regretted trusting them with my business.
