Letter of Recommendation for Mr. Marcel Barbey

I have been involved in recruiting physicians for over thirty years. Recently, I have had the good fortune of working with Marcel Barbey of Medicus Partners on several searches. He is thorough, direct, clear and courteous. Currently, he is by far the best recruiter I'm working with.

Marcel has handled both Primary Care and Specialty recruits for me over the past year and his performance has been stellar in all areas.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jud Knox', with a stylized flourish at the end.
